

When the natural balance of good and bad bacteria in your intestinal tract is disturbed, your digestive health is open to a host of potential concerns. **Culturelle®**, with probiotic Lactobacillus GG, one of the most studied probiotics, and Inulin, a prebiotic, naturally replaces the bad bacteria, returning healthy balance to your intestinal tract*.

Take Culturelle daily to:

- Help boost digestion and overall digestive health*
- Help reduce the likelihood of gas and bloating*
- Help support the immune system and general well-being*
- Help minimize travel associated stomach and digestive issues*

Culturelle is safe for everyday, long-term use.

Suggested Use for Adults:

As a dietary supplement, take one (1) capsule per day to support digestive and immune health. Continued daily use is suggested. If experiencing digestive upset, two (2) capsules daily are recommended until discomfort subsides.

When Traveling, take two (2) capsules daily throughout the trip. Best results if started two to three days prior to travel.

For Children Over 1 Year of Age: take one (1) capsule daily. Capsule may be opened and mixed into cool drink or food. Do not add to warm or hot foods or beverages. Consult your medical professional for more information.

THIS PRODUCT IS INTENDED FOR USE UNDER ADULT SUPERVISION ONLY. KEEP OUT OF REACH OF CHILDREN. Not intended for children under 1 year of age. This product should not be used by those with immune problems unless directed by a physician.
