

# Protect your core health every day with **Culturelle®**.

Core health begins in the core of your body – the intestinal tract where approximately 70% of your immune system resides. Diet, stress, travel and even some medications encourage bad bacteria to flourish in your intestinal tract. When bad bacteria overpower good bacteria, your digestive and overall health is open to a host of concerns. **Culturelle®**, with Lactobacillus GG, one of the most studied probiotics (good bacteria), safely and naturally replaces the bad bacteria in your digestive tract for strong core health.\* **Culturelle** supports your healthy immune system and overall digestive health.\*

Significantly more probiotic per capsule than in a serving of yogurt.

Safe & appropriate for children over 1 year of age.

Culturelle is safe for everyday long-term use.

## Suggested Use for Adults:

As a dietary supplement, take one (1) capsule per day to support your immune health.

## For Children Over 1 Year of Age:

take one (1) capsule daily. Capsule may be opened and mixed into a cool drink or food. Do not add to warm or hot foods or beverages. Consult your medical professional for more information.

**THIS PRODUCT IS INTENDED FOR USE UNDER ADULT SUPERVISION ONLY. KEEP OUT OF REACH OF CHILDREN. Not intended for children under 1 year of age. This product should not be used by those with immune problems unless directed by a physician.**
